

Highways \$5K Fortune Terms and Conditions

Find the Key Unlock the Fortune

This Schedule and the Terms of Entry below together form the terms and conditions of the Promotion. All times are Melbourne local time.

Schedule

1	Promotion Overview	Highways will conduct a daily draw. The person whose valid ticket is drawn at 7.30 pm selects one remaining key and attempts to unlock the treasure chest. The successful key wins \$5,000. An unsuccessful attempt wins \$50 in Australian \$1 gold coins, and that key is removed from the Promotion.
2	Promoter	Melbourne Racing Club F&B Limited (ABN 60 605 607 001) and Victoria Amateur Turf Club (incorporating the Melbourne Racing Club) (ABN 96 267 203 634), trading as Pegasus Leisure Group, Gate 22, Station Street, Caulfield East VIC 3145.
3	Participating Venue	Highways, corner Princes Hwy & Corrigan Rd, Springvale, 3171, Victoria.
4	Promotional Period	Monday 5 October 2026 to Saturday 31 October 2026 inclusive, unless the \$5,000 prize is won earlier. Entry tickets are distributed daily at 5.30 pm, 6.00 pm, 6.30 pm and 7.00 pm. One ticket is drawn at approximately 7.30 pm each day. The Promotion ends immediately when the chest is opened and the major prize is awarded, subject to the final-day procedure in item 8.
5	Eligible Entrant	A Victorian resident aged 18 years or over who attends the Participating Venue in person during the applicable daily entry period. The exclusions in clauses 5 to 7 apply. No purchase, gaming machine play or participation in a gaming-related loyalty scheme is required.
6	Entry Mechanic	An Eligible Entrant may request one free, numbered entry ticket from venue staff on each day of attendance between 5.30 pm and 7.00 pm and place the matching stub in the designated draw barrel before 7.30 pm. Eligible entrants may receive multiple entries as per the entry times but will only be eligible to open the lock once per night.
7	Prize Details	One major prize of AUD \$5,000, payable by electronic funds transfer to an Australian bank account nominated by the verified winner. For each unsuccessful key attempt, one consolation prize of AUD \$50 in Australian \$1 gold coins. A maximum of 39 consolation prizes may be awarded (maximum total prize pool AUD \$6,950). The chest and keys are display/selection props and are not prizes.
8	Draw and Key Mechanism	At approximately 7.30 pm each day, venue staff randomly draw one valid ticket from that day's barrel. The holder must present the matching ticket and proof of identity to staff within 5 minutes of the announcement; otherwise staff redraw from the remaining valid daily tickets until an eligible claimant is identified. The claimant chooses one key from the remaining keys under staff supervision and is allowed one attempt to open the chest. If it opens, they win \$5,000 and the Promotion ends. If it does not, they receive \$50 in gold \$1 coins; the tested key is removed permanently. No key is returned to the selection pool. On 31 October, if the major prize remains unclaimed, staff continue making random draws from that day's remaining valid tickets and allow one key choice per eligible claimant, removing each unsuccessful key, until the chest is opened. An entrant may only be selected to a maximum of 1 each night including the final draw night.
9	Winner Notification and Publication	Winners are announced and advised in person at the venue and given written confirmation of their prize. The \$5,000 winner's name will be published on the venues website highways.net.au for at least 28 days, as required for prizes over \$1,000.
10	Prize Delivery	The major prize will be transferred to the verified winner within 28 days of the winning draw, subject to provision of valid bank details. Consolation prizes are provided at the venue following verification. A winner does not incur a cost to claim a prize.

Terms of Entry

General

1. Defined terms have the meanings given in the Schedule. By entering, an entrant agrees to these terms and conditions.
2. The Promotion is conducted as a Victorian trade promotion lottery. Entry is free. No purchase, gaming machine play or gaming-related loyalty participation is required.

3. The Promoter may modify, suspend or cancel the Promotion where reasonably necessary because of circumstances beyond its control, subject to applicable law and the rights of entrants. Material changes will be communicated at the venue and wherever the Promotion is advertised.

4. Victorian law governs these terms and conditions.

Eligibility and entry

5. Employees, directors, management and contractors of the Promoter, the Participating Venue and agencies involved in the Promotion, and their immediate family members, are ineligible.

6. Entrants who have been excluded or evicted from the venue, or who enter on behalf of another person, are ineligible. Staff may request proof of age, identity and eligibility.

7. The Promoter may disqualify an entry obtained by fraud, ticket tampering, duplicate entry contrary to the Schedule, or other breach of these terms. Staff may refuse participation to a person whose conduct is abusive, unsafe or inappropriate.

8. Each ticket is valid only for the draw on its issue date. The ticket holder must be present at the time of the draw and retain the matching ticket to claim selection. Tickets cannot be transferred. The draw barrel is emptied after each day's draw.

9. The Promoter accepts no responsibility for tickets that are lost, illegible, damaged or not placed in the barrel by the stated deadline.

Draw and prizes

10. Each valid ticket in a daily draw has an equal chance of being drawn. Staff conduct the draw openly and keep an accurate record of tickets distributed, tickets drawn, key selections and prizes awarded.

11. The chest has one working key among 40 keys at commencement. Staff must verify the lock and keys before the first draw and safeguard the set and chest between draws. No key may be added or substituted after commencement except where reasonably necessary due to damage and consistently with applicable law.

12. Only a key that opens the lock in the supervised attempt wins the major prize. The tested key is recorded and removed immediately after an unsuccessful attempt. If a mechanical fault affects the outcome, staff will pause the draw, document the fault and conduct a fair resolution consistent with these terms and applicable law.

13. An entrant may only make one key attempt per day, if the key does not open then they will win the consolation prize. A person who wins the major prize cannot win it again because the Promotion ends.

14. Prizes are not transferable or exchangeable. Any substitution must comply with Victorian trade promotion lottery requirements. No compensation is payable for a prize that a winner cannot use, except as required by law.

15. The Promoter will take reasonable steps to contact a selected person. A redraw is permitted only as described in Schedule item 8 and where reasonable efforts to identify an eligible claimant are unsuccessful. Winners will be advised in writing.

16. The Promoter will retain required financial, entry and prize distribution records for three years after the Promotion is finalised.

Liability and privacy

17. Nothing in these terms excludes or limits a right or remedy that cannot lawfully be excluded, including rights under the Australian Consumer Law. Subject to that qualification, the Promoter is not responsible for loss or damage caused by events beyond its reasonable control.

18. Personal information collected to administer the Promotion will be used to verify eligibility, contact winners, award prizes, publish the major winner's name as required by law, and meet recordkeeping obligations. The Promoter's Privacy Policy is available at mrc.racing.com/our-club/governance/terms-and-conditions/privacy-policy. Entrants can contact the Promoter to access or correct their information.

19. The Promoter will not use entry information for direct marketing unless the entrant separately consents or another lawful basis applies. The decision of the Promoter on factual matters arising in the Promotion is final, subject to applicable law.
